The answer can be like, as a fresher you will not have an entry to climb in the career ladder. So, the short term career objective is getting into a job in a prospective company. Convey to the HR the objective in a positive way. Don't say your long term aim to start a company. This will not give a good impression in all the interview.

### **How to answer "What is your Career Objective?" Question in ...**

o Top down: usually made by upper management; rough estimates that determine project time and cost. o Bottom up: include input from the ground floor workers; more detailed estimation. Management makes a top down estimate to determine if a project is worth doing; then someone else does a bottom up to be more exact.
