This is a general question for LO extractions. If I understood roberto s blogs correctly then the append can be done to either the communication structure or the extract structure. In both the cases the newly added fields have to be populated using ABAP.

Enhance a LO Extractor - Questions - SAP Q&A

I LOVE lo mein noodles at chinese buffets. I really want to learn how to make them. I need a good recipe, not one that is going to need tweaking. I have tried many different places and they mostly all taste the same. So I need a tried and true recipe. Also a recipe for the fried chicken and red sweet and sour sauce would be amazing. I love that stuff.
