products and technologies. Credentials are granted based on a combination of passing exams, training and performance-based assignments, depending on the level of certification.

Oracle Certification Program - Wikipedia

To beat the ACT, one of the most important things you can do is educate yourself for what to expect. The testing day is very structured and strict in terms of what is allowed, but it is pretty straight forward and simple to follow as long as you keep focus in the place where it belongs, and that is on the test itself.
